points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. Prior to the Part II approval (Section 17-13-0610 of the Chicago Zoning Ordinance) for any buildings, the Applicant shall submit a site plan, landscape plan and building elevations for the specific Sub-Area(s) or portion of specific Sub-Area(s) for review and approval by DPD. Review and approval by DPD is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Sub-Area Site Plan Approval Submittals (Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the Applicant. If the Applicant is seeking approval for a portion of the Property that represents less than an entire Sub-Area, only a site plan for such portion of the Property shall be required.

No Part II approval for any portion of the Property shall be granted until Site Plan approval has been granted. Following approval by DPD, the approved Sub-Area Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the PD.

The designation and redesignation of subareas shall not in and of itself require an amendment or minor change to this Planned Development; provided, however, Applicant shall provide notice of all material terms of any such designation to DPD, including the designated area and the bulk regulations that will apply therein, for DPD's administrative purposes to facilitate Part II review for any such designated subarea. In furtherance of the foregoing, and

in all cases subject to the other statements, terms, regulations and provisions of this Planned Development, the Applicant may allocate or assign the development rights under the Planned Development to and among the designated subareas including, but not limited to, floor area and floor area ratio, signage, building height, dwelling units and parking; provided, however, that the regulations and limitations set forth in the Bulk Regulations and Data Table and the Plans applicable to the entirety of the Planned Development shall not be exceeded or increased as a result of any such designation(s).

17. The Applicant acknowledges and agrees that the rezoning of the Property from M2-2 Light and M3-3 Heavy Industry Districts to the C2-3 Motor Vehicle-Related Commercial District, and then to this Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (“Affordable Requirements Ordinance” or “ARO”). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (“Required Units”) as affordable units, or with the Commissioner of DPD’s approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI) and the affordable for-sale units must be affordable to households earning no more than 100% AMI, as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits in connection with a residential building, the Applicant must make the required cash payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L) for that building. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Property, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 17, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

18. The Applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contain in the Chicago Zoning Ordinance (Section 17-8-0912) and

the Chicago River Corridor Design Guidelines and Standards. To further these goals, the Applicant agrees, as set forth in the Plans, to: (a) provide a landscaped 30-foot-wide river setback and continuous riverside trail as indicated on the Site Plan as portions of the Property adjacent to the Chicago River are developed and, (b) permit connection of such setback and trail to the setback and trails of adjacent properties when the river edges of the adjacent properties are similarly improved. The Applicant shall permit un-gated public access to the river setback and provide signage on the riverwalk that the riverwalk is open to the public during typical Chicago Park District hours. The riverwalk and landscaping improvements within the river setback shall be completed as buildings along the Chicago River are constructed and must be substantially completed within twenty-four (24) months of the issuance of all necessary permits by all governmental or quasi-governmental authorities having jurisdiction over such improvements including, without limitation, the Army Corps of Engineers, Metropolitan Water Reclamation District, IDNR-OWR, Coast Guard and CDOT, provided that planting may be delayed due to delays or inability to perform such acts due to causes beyond the reasonable control of the Applicant such as, without limitation, war, riot, insurrection, rebellion, strike, lockout, fire, flood, storm, earthquake, tornado, unavoidable casualty or damage to personnel, material or equipment, or act of God, and provided that completion may be delayed if consistent with good landscape practice or if necessary to accommodate construction of later phases of development, but not longer than one year following receipt of the final occupancy certificate for the building that is adjacent to the applicable portion of the Chicago River.

19. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the Applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The City encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the

applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as DPD determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

20. The Applicant acknowledges that the Property is located in the North Branch Industrial Corridor Industrial Corridor Conversion Area, and has undergone a "rezoning" within the meaning of Chapter 16-8 of the Municipal Code (the "Industrial Corridor System Fund Ordinance"). As a result of this rezoning, the Planned Development is subject to the conversion fee provisions of the Industrial Corridor System Fund Ordinance. The purpose of the conversion fee is to mitigate the loss of industrial land and facilities in conversion areas by generating funds for investment in receiving industrial corridors in order to preserve and enhance the city's industrial base, support new and expanding industrial uses, and ensure a stable future for manufacturing and industrial employment in Chicago. The Applicant is required to pay the conversion fee in full prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the conversion fee may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The amount of the conversion fee due prior to the issuance of a building permit shall be calculated based on the fee rate in effect at the time of payment. The Applicant shall record a notice against the Property to ensure that the requirements of the Industrial Corridor System Fund Ordinance are enforced in accordance with Section 16-8-100.
21. Construction of the improvements contemplated by this Planned Development may be completed in phases over a period of years. It is acknowledged that commencement and completion of certain phases may exceed the periods set forth in Section 17-13-0612 of the Chicago Zoning Ordinance as of the date of this approval. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development may initiate a Zoning Map Amendment to rezone the property to C2-3 Motor Vehicle-Related Commercial District.

Fleet Portfolio, LLC**

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Richard F. Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents Fleet Portfolio, LLC., the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately July 18, 2018, and a source for additional information on the application.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about July 18, 2018, the undersigned, on behalf of Fleet Portfolio, (the "Applicant"), intends to file an application to rezone the property located at 1300-1328 & 1301-1349 West Concord Place / 1624-1698 & 1653-1727 North Throop Street / 1696-1698, 1627-1649 & 1663-1699 North Ada Street / 1301-1405 West Wabansia Street, Chicago, Illinois, from the M3-3 Heavy Industry Districts to the C2-3 Motor Vehicle-Related Commercial District then Waterway Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently vacant and/or utilized for commercial/industrial uses. The application requests a rezoning of the subject property from the M3-3 Heavy Industry District to the C2-3 Motor Vehicle-Related Commercial District then to a Waterway Residential-Business Planned Development to permit the approval of a multi-phase mixed-use project consisting of a maximum 4.0 FAR, 1,500 dwelling units and entertainment and commercial uses.

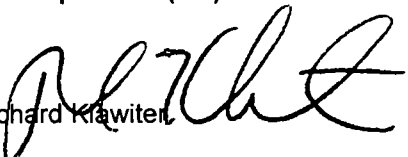

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.

I am an authorized representative of the Applicant and my address is 444 W. Lake Street, Suite 900, Chicago, IL 60606. 1321 W. Concord, LLC owns the portion of the property located at 1321 W. Concord; 1644 N. Ada, LLC owns the portion of the property located at 1644 N. Ada; 1650 N. Throop, LLC owns the portion of the property located at 1650 N. Throop and their address is 1321 West Concord Place; Chicago, IL 60642. 1685 N. Throop, LLC owns the portion of the property located at 1685 N. Throop and the Applicant owns the remainder of the property and their address is 1330 West Fulton, Suite 800, Chicago, IL 60607.

Please contact me at 312-368-7243 with questions or to obtain additional information.

Very truly yours,
